

Taking the Gospel into Schools

Points for Praise and Prayer

Summer 2016

Engage is a Christian charity working to encourage and support a Christian presence in primary and secondary schools in and around Woking.

We visit our local schools daily and support a variety of different activities.

Everything Engage does is underpinned by prayer. Please pray for Engage and its work, for our volunteers, and for the children and young people of Woking.

“How can they hear if nobody tells them? And how is anyone going to tell them, unless someone is sent to do it?”
(Romans 10:14, The Message Bible)

Secondary Schools work

- Please give thanks for Chrissie Lacey, who has served the Lord with passion as part of our team for 14 years and now leaves us.
- Please pray for Helen, our new secondary schools worker, as she meets new people and settles into the role.
- Pray that relationships with schools will remain strong and God will complete the work started by Chrissie.
- Pray for all students studying for exams. Also for their teachers and parents: that they are able to provide the best support.
- Pray for the youth workers; that they may continue to be inspired in their work.

Primary Schools

- Please pray for all the Engage team members and that the messages they present will be clear and well received.
- Pray for Patrick and the assembly team as they prepare for and present the story of Hadrach, Meshach and Abednego in the fiery furnace.
- Pray for schools considering introducing Open the Book into their school lives and also for the resources this will require.
- Pray for the club at St Bede's School.

Open The Book in local schools
